The screenshot shows the 'RESPONSE DIALOG' interface. On the left is a navigation menu with three items: 'Response' (highlighted in light blue), 'Issues', and 'Relevant Documents'. The main content area is titled 'RESPONSE' and displays details for a specific response: 'NC22703 ORG & PERS I.1 [INCOMPLETE]' with an 'Edit' link. Below this, there are two unchecked checkboxes: 'Vulnerability' and 'CRO Oversight'. Further down, there are sections for 'Anticipated Inspector Questions / Request for Information' (with a description), 'Supporting Documentation' (with a description), 'Regulatory Reference' (with the value '[not set]'), and 'Response Owner(s)' (with the names 'Jared Sol, Jason Snead, Jered Myers').
